## EXPERIENCE

### Ministry Of Health, Lot 1 Brickdam — Systems Support Officer

April 2017 - September 2020

Started working as a work attachment computer science student from G.T.I for 2 work attachment periods that ran throughout July - August and after graduating I was hired as a System Support Officer where my time was spent troubleshooting various computer problems the Ministry faced. After some time I was moved to the Software department where I assisted with the support of the various software that the Ministry uses and eventually I assisted in the development of the G.H.I.S software.

### Guyana Geology and Mines Commission (G.G.M.C ), Upper Brickdam, Georgetown — Office Assistant

3 months

I spent one(1) work attachment period as an Office Assistant in the Accounts department at G.G.M.C as a student from North Georgetown Secondary School.

## EDUCATION

### North Georgetown Secondary School, Woodford Avenue, Georgetown — Graduated

2010 - 2015

Truthfully the years spent at N.G.S.S were filled with uncertainty but eventually I was given the responsibility of being a prefect for the school. Soon after one of the teacher's noticed I liked computers and it was then I was introduced to programming and I've been interested ever since.

### The Government Technical Institute , Woolford Avenue Non-Pariel park Georgetown — Diploma

2016 - 2017

After graduating from North Georgetown Secondary I immediately enrolled in the Diploma in Computer Science course at G.T.I and after diligently studying for 2 years I came out as the top student for computer Science for all technical institutes in Guyana.
